

## Herkules 1S Playground

**Simply a round thing: textile covered wire strand in a matching look for beacons and for finishing Herkules 6S and 4S ropes.**

### **Invulnerable**

Steel wire armor and textile wrap or braid for maximum service life under all conditions.

### **Injury-proof**

The textile sheathing safely protects against the escape of dangerous wire ends.

### **Perfectly tuned**

Herkules 1S is available exactly matching its big sisters Herkules 6S and 4S.

### **Diameter**

6 mm - 8 mm Ø
