

GeoSquare® Polyester

Watersports Cruising

Ruggedness squared: Highly abrasion-resistant and durable, perfectly suited as an anchor warp.

Indestructible

Extremely robust and durable, without hardening, best UV resistance.

Simply good

The grippy GeoSquare® is torsion-free, easy to splice and offers good grip on polished bollards.

Universal

Excellent mooring line, also suitable as anchor warp due to its sag line in water.

Diameter

14 mm - 16 mm Ø
