

Whipping twine assortment 2 Watersports

Cruising

Coloured waxed whipping twines 1mm Ø

Well presented Gleistein Whipping Twine is an essential fast-moving, rigging sales item. The practical carton serves for both presentation and storage. The natural tendencies of the raw material are used to increase tension – the application of hot water causes subsequent high shrinkage.

Technical data

Elongation at 10% of the breaking load: 3.20 %

Gleistein

More than Ropes.
