

# Whipping twine assortment 2 Watersports

Cruising

## **Coloured waxed whipping twines 1mm Ø**

Well presented Gleistein Whipping Twine is an essential fast-moving, rigging sales item. The practical carton serves for both presentation and storage. The natural tendencies of the raw material are used to increase tension – the application of hot water causes subsequent high shrinkage.

## Technical data

Elongation at 10% of the breaking load: 3.20 %

# Gleistein

More than Ropes.
