Watersports Performance

Take the rough with the smooth: High performance sheet – yet grippy thanks to sophisticated fibre mix.

Best handling

Woolly cover with highly abrasionresistant Dyneema® fibre component for releasing by hand.

Performance

Excellent strength and minimal elongation thanks to DynaOne® rope core made with Dyneema® SK 78 fibres.

Two-in-one

Suitable for stripping and tapering of the free length for ultra-light sheets and halyards

Diameter

6 mm - 10 mm Ø
