RunnerSprint

Watersports Performance

Hotshot: Strippable racing line with a grippy, ultra heat-resistant triple-fibre cover for best times and fast manoeuvres.

Easy to ease

Optimum grip and defined easing properties under load

High-performance cover

Exceptional resistance when rushing through the winch

Optimised weight

Strippable thanks to impregnation of the rope's core

Dyneema® fibre from bio-circular feedstocks

Nominal diameter	Construction
10.00 - 16.00 mm	

Colors

Dyneema®

Gleistein

More than Ropes.

Technical data

Elongation at 10% of the breaking load: 0.40 %

Nominal diameter [mm]	Weight [kg/100 m]	Spliced break load [kN]	Linear break load [kN]
10.00	6.50	50.00	55.56
12.00	9.20	75.00	83.33
14.00	11.60	95.00	105.56
16.00	15.90	130.00	144.44
